Unit 2, Chiltern
Business Centre,
Garsington Road,
Oxford, OX4 6NG

Sesi.org.uk

DIRECTIONS

Squeeze a small amount into palm and rub thoroughly into hands. For children under 6 adults should supervise use. Ideal for usage where you can't access soap and water for a 20 second hand wash.

INGREDIENTS

80% Ethanol, 1.4% Glycerol, 0.125% Hydrogen Peroxide. The rest is water.

WARNING

When using this product avoid contact with eyes.
In case of eye contact: flush with priority of water.
Stop if irritation occurs and consult doctor. Keep out of reach of children. If swallowed contact poison control centre immediately.
